CANDIDATE STATEMENT (NO MORE THAN 250 WORDS)

As a candidate for social justice VP, my key priorities in addition to supporting the current SJ team will be the following:

- 1) Appoint an Indigenous Officer.
- 2) Draft consultation report on improving inclusiveness in LawSoc, particularly relating to society culture.
- 3) Draft equity and welfare claims processing and dispute framework.

As for my experience, I have served on the Cabinets of the UNSW UN Society (VP Education) and the Australian Model United Nations Societies Association (Secretary), as well as United Nations Youth NSW Inc (Secretary); a registered charity that runs educational programmes targeted at young Australians. As part of my role with UN Youth and AMUNSA I have taken responsibility for drafting effective reforms to welfare and equity policy, and would like to encourage a more rounded approach in LawSoc towards Social Justice both outside and inside its organisation.
